Mr. Scott Turco
Director, Quality
Delta Air Lines, Inc.
P.O. Box 20706
Atlanta, GA 30320-6001

Dear Mr. Turco:

We have received your May 11, 2004, correspondence withdrawing your March 24, 2004, petition on behalf of Delta Air Lines, Inc. In your petition, you had requested an exemption from § 145.107(a)(1) of Title 14, Code of Federal Regulations (14 CFR). This exemption, if granted, would have permitted Delta's satellite repair station at Dallas/Fort Worth to hold an Emergency Equipment limited rating on their repair station certificate, when Delta's repair station with managerial control over the Dallas/Fort Worth facility does not have an identical rating.

Your letter withdrawing your petition for exemption has been placed in the public docket. No further action will be taken on your petition, and the docket will be closed.

Sincerely,

/s/
Brenda Courtney

Airport Rules Division
